J. MARTINEZ

Special Issue Information

Accreditation: The Workshop "Livestock waste treatment systems of the future: A challenge to environmental quality, food safety, and sustainability" was sponsored by the OECD Co-operative Research Programme: Biological Resource Management for Sustainable Agricultural Systems, whose financial support made it possible for most of the invited speakers to participate in the Workshop.

OECD Disclaimer: The opinions expressed and arguments employed in this publication are the sole responsibility of the authors and do not reflect those of the OECD or of the governments of its Member countries.
